## President's Message:

This edition will see the end of our Goose Club Draw. No more rosters. On the last Sunday of February, if not drawn before, the Jackpot WILL be drawn. It is unfortunate the Goose Club has not been successful this round so it is better to cut our loses now. A huge thank you to our Goose Club Chairman, Sharon Kennewell for her tireless input. Your effort has not gone unnoticed, Sharon and we were pleased you did not have to be at the pub every Sunday this round. To all the members who have done their shift at the pub selling tickets, thank you! Hopefully the Qld Heritage Rally at the Woolshed on 7th ,8th & 9th May will fill some of the gap left by not having the Goose Club. Don't forget only the Lions member on duty cannot claim the Jackpot so if members want to give the Goose Club the last hurrah then turn up at the Victory on 28th Feb and have a go at winning the \$1,600 Jackpot. Good Luck!

Next meeting we have to take nominations for the positions of President, Secretary, Treasurer and Membership Chairman. Staying away from the meeting will not ensure you do not get nominated. Please be open to accepting a position if asked. All members who have held the respective positions in the past are always ready and willing to give any help that is needed so you will not be left alone holding the baby.

Talking about babies we have an avalanche of grandchildren in the club. Sharon, Marcia, Doug & Lyn have all had additions to their extended families with Doug and Lyn having another grandchild in July 2010. There is nothing so special as an innocent, beautiful baby. It reminds us of one of the reasons we are Lions. To make this world a better place for the young to grow up in is a very worthwhile objective.

Engelbert had us guessing at the Trivia Pursuit on last Monday night. We hosted the Zone Meeting at Cecil and had a good turnout with 28 attending. It is a lot of fun and if any members ever want

*Cecil Plains Lions taking the leading position in the Zone Trivia*

to have a crack at answering trivia questions just come along to the next Zone meeting and I will ensure you get a go. The next Zone meeting is at Jandowae on Monday 22nd March. Knock me over in the rush to come!

No Club can survive unless it is expanding. When something is not growing, it is dying. Although our quality of membership is outstanding we need new blood to revitalise our troops. **Please bring at least one prospective member to the members night at the Golf Club on Monday 15th March. It is the second meeting for March and we will be having a low key night to let people know how enjoyable Lions can be.** There will be a bbq at no cost to members or guests and we need a very good roll up of members please.

In case there is no Chronicle before, don't forget the Lions Children's Cancer Institute Australia bike ride on 8th April. We have permission to use the school buildings as shelter for them. Again we will need help to feed 100 odd people (including us) and bunk them all down.

Remember one good turn gets most of the blankets.

Yours in Lions Service, President

Lyn Bennie

## Cecil Plains Lions Website

Over the holiday Ann and I have been busy activating our own Cecil Plains Lions Club website , ( Ann is becoming quite a computer whizz ), we are looking for input from all our members to make the site interesting. We are planing in addition to the Lions Club info also putting Cecil Plains Town and area news and information on the site. So if you are on holiday you can hop on the net and be informed what goes on at home. The objective is to promote our town and area. As you check out our site you will also find a special sponsor page, this will give our sponsors a new advertising space.

## We all have to learn new skills

- A woman customer called with a problem with her printer.
- *Tech support:* Are you running it under windows?
- *Customer:* 'No, my desk is next to the door, but that is a good point. The man sitting in the cubicle next to me is under a window, and his printer is working fine.'
- *Tech support:* 'Okay Colin, let's press the control and escape keys at the same time. That brings up a task list in the middle of the screen. Now type the letter 'P' to bring up the Program Manager.'
- *Customer:* I don't have a P.
- *Tech support:* On your keyboard, Colin.
- *Customer:* What do you mean?
- *Tech support:* 'P'....on your keyboard, Colin.
- *Customer:* I'M NOT GOING TO DO THAT!!

*Happy Birthday  
Doug*
